## // PROFILE

A seasoned 29-year-old developer with 6 years of expertise in web development.
Proficient in JavaScript, PHP, HTML, and CSS, I've transitioned from support consultancy to crafting premium WordPress themes for ThemeForest. Currently excelling as a Creative Developer in UI/UX solutions, I'm eager to contribute my skills to dynamic projects. I have embraced the challenge of learning React, further expanding my toolkit to stay at the forefront of web development trends.

## // WORK EXPERIENCE

**MAR 2021 - NOW**

**CREATIVE DEVELOPER**
Qode Themes

I am deeply engaged in the conceptualization and implementation of UI/UX solutions for our WordPress themes. This involves collaborating with cross-functional teams to translate design concepts into seamless and intuitive user interfaces. My focus extends beyond coding, encompassing user experience optimization, responsive design, and the integration of emerging technologies.

**SEP 2018 - FEB 2021**

**WEB DEVELOPER**
Qode Themes

I played a pivotal role in creating premium WordPress themes showcased on ThemeForest. My responsibilities included not only coding themes but also staying abreast of industry trends to ensure the themes met the latest standards. This role allowed me to refine my skills in PHP, HTML, and CSS, while also exposing me to the intricacies of theme development and customization.

**MAR 2018 - AUG 2018**

**SUPPORT CONSULTANT**
Qode Themes

I developed a strong foundation in troubleshooting and client interaction.
I was responsible for addressing user queries, resolving technical issues, and providing comprehensive support solutions. This experience not only sharpened my problem-solving skills but also instilled a customer-centric approach that I carry with me in every aspect of my work.
